Request for Late Change to Degree Audit Form

PSI1 – Protection, Security and Investigation program

Degree Audit for 2010/11 and 2011/12

Due to a new program standard being issued by MTCU, a number of courses had to be changed. The requirements were released late; hence the delay in changing the degree audits. Program mapping has been completed. The 2010/11 changes only affect third and fourth level and as this is essentially a new offering for students in these later semesters, no current students will be affected by the changes.

Recommend: Accept the request.

Best regards,

Deb Wilkin

Reason for late change

The Program Vocational Learning Outcomes (MTCU Code 61820) were not received until Fall, 2010 and required a program mapping and extensive changes to the present Law and Security Administration program to meet the outcomes.

If the change is a correction to the Degree Audit, identify the impact on current students (please review and submit student EVALS with submission to determine possible impact)
